Procurement

We proudly serve U.S. federal government agencies through our partnership with immixGroup. immixGroup delivers mission-driven results through innovative technology solutions, powering the future of public sector IT.

Differentiators

Training is Designed, not Produced

We subscribe to a human-grounded learning model. Training is only effective when tailored to individual strengths and weaknesses.

Training Curated for IT Professionals

We develop skills-based training. With a skills approach, our training is relevant for both real-world application and exam preparation.

Hand-Crafted Virtual Labs

Available on any browser, our virtual labs provide hands-on learning, while requiring no upfront expense or technical overhead.

Dedicated Coaches

Coaches work with teams to define success, establish goals and training plans, and provide accountability through regular progress check ins.
